

**MINUTES OF THE PARISH COUNCIL MEETING HELD WEDNESDAY 19TH
DECEMBER 2018, 7:30PM, IN THE MEETING ROOM, ABSON ROAD,
PUCKLECHURCH.**

PRESENT. T. Symons (TS) - Acting Chair, L. English (LE), L. Putt (LP), C. Phillips (CP), S. Reade – District Councillor and J. Bailey – Clerk.

Before the meeting commenced the first item of business was to elect a Chair for this evenings meeting in the absence of both the Chairman and Vice Chair.

RESOLVED: To elect Councillor T Symons as Acting Chair.

NO. 1. TO NOTE APOLOGIES FOR ABSENCE

B. Symons – Chairman (BS)

G. Boyle – Vice Chair (GB)

R. Dunning (RD)

NO. 2. DECLARATIONS OF INTEREST

Cllr. T Symons declared a non-pecuniary interest in agenda item 6h.

NO. 3. TO CONFIRM THE MINUTES OF THE PREVIOUS MEETING

The minutes of meeting on 21st November were accepted as a correct record of the meeting and signed by the T. Symons Acting Chair.

NO. 4. PUBLIC PARTICIPATION

There were three members of the public in attendance from The Pucklechurch Revel Committee.

The theme of Revel 2019 is Transport through the ages.

In past years Revel and Beer festival has used around 25% of the recreation field. This year Revel would like to use more of the Rec and spread out all of the events in their efforts to make Revel 'Bigger and Better'. They would like to invite transport clubs to exhibit some items during Revel day such as: Ploughing through the ages, Mini Club, Motorbikes and Stream traction engines.

They want to work with the Parish Council to see what would be feasible for the Rec to hold in terms of:

- Weight bearing load for the Rec, Abson/Shortwood and Westerleigh Road
- Emergency Services access
- Castle or Abson Road entry
- Location of exhibit on the Rec
- Maximum number of exhibits PPC would allow.

Before they can fully plan how the day would look, they are asking for PPC's permission on what they can and can't have for the day and the effects this may have on the Rec and the drainage systems beneath.

ACTION: To be discussed in agenda item 9a this evening.

Noted

6c PK17/0117/PNH 1 Cedar Way Pucklechurch Bristol South Gloucestershire BS16 9RN

Outbuilding is being constructed in the garden of number 1 Cedar Way.

It has been reported that an outbuilding is being constructed in the garden of number 1 Cedar Way. This is the house that has also enclosed its front garden with a fence. We are not sure whether this structure can be considered to benefit from permitted development rights as it appears to sit forward of the front elevation of the house so would require enforcement to confirm what is considered to be the front elevation? It seems logical that it is the proposed extension which benefits from permission as described here as 'rear' - PK17/0117/PNH | The erection of a single storey rear extension, which would extend beyond the rear wall of the original house by 4.6m, for which the maximum height would be 3.8m, and for which the height of the eaves would be 2.4m. | 1 Cedar Way Pucklechurch Bristol South Gloucestershire BS16 9RN.

RESOLVED: To report the outbuilding and fence to enforcement.

ACTION: Clerk to contact planning enforcement as above.

6d PK18/2772/RM The Nursery, The Local Centre Willow Herb Road Emersons Green South Gloucestershire.

Approval of Reserved Matters to be read in conjunction with Outline planning permission PK04/1965/O (partial) for access, appearance, landscaping, layout and scale for the erection of a single-storey nursery development with associated play area and car park to the nursery site fronting Willow Herb Road including bin store

There were no pre-submitted reports received from Council members.

7b To RECEIVE Report from District Councillor(s)

District Councillor Steve Reade was in attendance, he didn't have anything to report other than to wish the Clerk and Councillors a Merry Christmas.

7c. To RECEIVE report a verbal report from the Clerk

- PK18/4820/F Meadowland Cottage Coxgrove Hill Pucklechurch submitted no objection comment on SGC website 23.11.18. Minutes 21st November item 6g.
- PK18/4871/F Bell House, Shortwood Road Pucklechurch submitted comments on the SGC website 22.11.18. Minutes 21st November item 6h.
- PK18/5061/TCA 8 Parkfield Road Pucklechurch submitted comments on the SGC website 23.11.18. Minutes 21st November item 6i.
- PK18/5157/TRE - 25B Shortwood Road Pucklechurch submitted comments on the SGC website 23.11.18. Minutes 21st November item Other Planning Matters.
- Emailed Greg Evans for a precept request form 23.11.18. Minutes 21st November item 8b.
 - He responded informing me that SGC are not in a position to forward the relevant forms yet as they are waiting for official approval of the Council Tax reduction grant. He will be sending the forms out on 7th December following the Cabinet meeting.
 - Returned precept request form for £70,891.05 to SGC on 12.12.18.
- Wrote termination of allotment agreement letters to plots 4 and 21a and wrote 3 months' notice to improve letter to plot 5 23.11.18. Minutes 21st November item 9a.
- Amended Data Breach Policy with our ICO details and uploaded to the website 28.11.18. Minutes 21st November item 9b.
- Updated the website to inform members of the public that the meetings on 5th December 2018 and 2nd January 2019 have been cancelled. I have also updated the list of meeting dates to show all dates for next year. We do not have a date for the annual meeting of the parish which will be added once this has been set. Minutes 21st November item 9c.

ACTION: Clerk to make agenda item to agree the dates for the Annual Meetings.

- Informed PCSO Sam Derrick that the meeting on 5th December has been cancelled and asked her to provide me with any future dates they can attend. Minutes 21st November item 9c.
 - PCSO Sam Derrick and new Beat Manager PC James Rochford will be attending our meeting on 16th January 2019.

- Speller Metcalfe have contacted us regarding parking behind the site at Oaktree Avenue development. They have received a fine from SGC which they will be disputing.

ACTION: SR to look into this due to the extra vehicles now parking around Oaktree Avenue.

- I have added the Neighbourhood Plan survey details to the website.

- Received an update from Robert Walsh SGC regarding Pennymede which has been circulated to council:
 - *I have now had the opportunity to fully explore this case and to speak to the case officer, and am now in a position to give the Parish Council a substantive answer as promised.*

The background has been laid out in the previous messages from Sam Garland and I do not intend to repeat the full amount of that, as the Parish Council is all too aware of it.

Although the owner was contacted again by Sam Garland following his message of 1st August no planning application has been submitted. They have been asked to do so on multiple occasions and have not done so, and given the time this has gone on the council is not expecting one to be submitted. This may change if the landowner seeks to sell the property and finds that failure to obtain a planning permission for unauthorised works causes concern at that time, but for the immediate future an application is not expected.

As Sam has previously informed the Parish Council, although the 'clock tower' and the 'dormer window' were not considered to be NON-MATERIAL additions they are sufficiently in accord with local planning policy that they would likely receive unconditional planning permission if applied for.

The Parish Council's email of 30 July makes clear its view that believes that "material amendments to approved plans should be decided through the planning process and not be allowed by default." However, the Planning Enforcement service has to operate within this council's legal powers and the National Planning Policy Framework makes it very clear that in circumstances where no harm is being caused and planning permission would likely be granted, it is not appropriate to take further formal planning enforcement action. The council has therefore no alternative course of action than to close the planning enforcement investigation.

The council has no powers to enforce that applications are submitted and has no legal power to penalise purely for the failure to submit. Planning enforcement action is not designed to be punitive, it is in place to ensure that development is in accordance with planning policy, guidance and legislation. Separately I am also investigating the Parish Council's messages concerning land at Shortwood Road; and signage for the Spar shop; and I will be in touch with a response on those as soon as I've done so.

- Updated budget spreadsheet to show all grants paid by PPC back to 2015.

- I have received a phone call from a member of the public who saw a flatbed truck with a crane on the back blocking the road opposite the traveller's site on Shortwood Road. The member of public informed me that it was a bit suspicious as it had backed into the field opposite through the wooden gates and the travellers were out on the road side directing the traffic. The truck didn't have anything on the back but they did notice a taped off area in the field opposite when they drove past a couple of hours later. They have said to hold fire on reporting anything to SGC at the moment as they are not sure what is going on there but will keep an eye out and report anything more concrete.
 - Since this report the member of public has seen more activity on the site and has reported that a hard standing is being created and a shipping container on site. I have reported this to enforcement under reference COM/18/1162/OD which has been registered for investigation on 18.12.18 and passed to the planning enforcement team to undertake a site visit within the next ten working days to establish whether a breach of planning control has occurred.
- I have received grant applications from the following:
 - The Brandon Trust £250.00 – Proposed trip.
 - Pucklechurch Primary School £10,000 – to revitalise the Daily Mile Running Track.
- Circulated the following updates on the Shortwood Road Travellers Site and Spar Signage enforcement complaints to Council and District Councillors:

- *Thank you for your recent enquiries in connection with the Spar sign and the Shortwood Road site, which have been passed to me by Robert Walsh for a response and status update. I can confirm that I have looked into both cases and I am pleased to feedback to the Parish Council as follows: -*

*COM18/1025/OD; COM/18/0834/OD & COM/18/0835/OD
 Location: Land at Shortwood Road, Pucklechurch, BS16 9PQ
 Description: Removal of hedge, new access and erection of fencing*

I can confirm that the three planning enforcement cases associated with this land had been linked as they related to the same complaint involving the formation of a vehicular access. Following his site visit, the Planning Enforcement Investigation Officer determined that, as the access was formed across land owned by South Gloucestershire Council, this matter could be best addressed by using the Council's landownership responsibilities and so the matter was referred to the Highways team in Streetcare to resolve and the Planning Enforcement cases were closed. We informed Pucklechurch Parish Council of this outcome in our letter dated 2 October 2018.

On consideration of your comments in your e-mail dated 9 November 2018, I have looked more closely and can confirm the most recent case (COM18/1025/OD) also includes the erection of fencing to which you refer. I thank you for bringing this to my attention and can confirm that the case will be reopened and we will revisit the site to assess the situation and check whether the fence that has been erected contravenes any previously approved landscape scheme. I will ensure that the Parish Council is named as a complainant in the case file so that you will receive appropriate updates.

COM/17/0014/ADV & PK18/0314/ADV

Location: Pucklechurch Convenience Store (Spar), Westerleigh Road,
Pucklechurch, BS16 9RB

Description: Spar sign erected above shop without permission

I have looked at the Planning Enforcement case file for the Spar shop sign and can confirm there is a breach in that the signage has been installed without the requisite planning consent. However, a retrospective planning application has been received, which is why enforcement action has been placed on hold whilst this application is determined. It has taken rather longer than would be usual, given the difficulties in arriving at a scheme that meets with the approval of the Conservation Officer. I attach the case officer's update, which explains the difficult position in terms of planning enforcement – i.e. if we issue a Notice for the signage to be removed, it would potentially leave the building with a worse façade than existing and the Council's powers to ensure an acceptable outcome are less than if we continue to negotiate a solution directly with the Spar and the Conservation officer.

Of course, this cannot be an open-ended process and, if we find we are unable to reach an acceptable solution through the planning application process, it remains open to us to determine the harm and expediency of formal enforcement action. I hope that you will agree that, despite the protracted proceedings, the best option is to try to secure a practical solution. Prosecution for the display of an unauthorised advertisement would likely result in the owners of the Spar store being found guilty and fined, but it is unlikely to result in the desired practical outcome. We are currently in dialogue with Spar and when we receive the new façade design, we will ensure the details are uploaded to the Planning website so that Pucklechurch PC and interested parties will have the opportunity to view and comment. I hope that we will be in a position to approve a revised signage scheme in the very near future.

In respect of unanswered correspondence, I offer my sincere apologies to Pucklechurch PC. I would advise that, where you do not receive a timely response to correspondence sent to an individual officer, then you may forward it to the Planning Enforcement inbox where it will be attended to by a colleague.

I hope that the above gives some clarity to where we are in each case. If you have any further queries or wish to discuss any matters raised please do not hesitate to contact me or the planning enforcement team directly on 01454 868004 or e-mail PlanningEnforcement@southglos.gov.uk

Yours sincerely,

*Jayne Hall - Building Control and Planning Enforcement Manager
South Gloucestershire Council*

- We have received a notification of decision letter for PK18/4328/F Meadow View Shortwood Road Pucklechurch South Gloucestershire BS16 9PQ Erection of 2 no. stable buildings, associated access road and hard standings however the Officer's recommendation within the delegated report is at odds with the refusal notice which says granted.
 - I wrote to planning to question this and received the response below:
 - This is an error in my report. It should have said the recommendation was to refuse. Thank you for pointing this out.

Having said this, the decision notice is the legal document and therefore this is the formal decision.

- There were no planning comments published on SGC website for:
 PK18/4328/F | Erection of 2 no. stable buildings, associated access road and hard standings | Meadow View Shortwood Road Pucklechurch South Gloucestershire BS16 9PQ
 PK18/4871/F | Alterations to existing outhouse, including raising of roof to form ancillary annexe. Erection of stone boundary wall and gate (retrospective). | Bell House Shortwood Road Pucklechurch Bristol South Gloucestershire BS16 9PQ
 I have chased planning and these have now been made public.

- Update from Huw Morgan:
 - The Eagle Crescent defibrillator cabinet had been opened by someone, the defibrillator had not been used but had been removed and returned facing the wrong way and they had placed the plastic resuscitation pack directly on top of the heater. Luckily no damage was caused.
 - As the Parish council is aware, we received an amount of money from South Gloucestershire Council to put towards planting of trees that are beneficial to wildlife. After researching and costing up the trees Huw selected some Wild Cherries, Rowan's and Crab apples, 8 no. in total. These will provide all year-round interest starting with flowers in the Spring, attractive foliage during the summer, then Autumn colour with fruit for Autumn/Winter. The area these trees have been planted in is the unmown area at the top end of St Aldams / Becket court area. Once established this area should be an asset to the village in its quest to provide attractive wildlife areas. Huw has thanked Sally Pattison and sent her a photograph of the trees and will do a more detailed report for his next Huw's Muse. Please let the councillors know that although this project was outside of my remit, I am happy to do it at no charge to the Parish Council, I will continue to monitor the trees and provide the TLC they will need from time to time (including the odd 'Hug!').
 May I wish all the councillors a Happy Xmas and (as a villager) thank them for all they do for this Parish.
ACTION: Clerk to write a letter of thanks to Sally Pattinson SGC.

- I am experiencing a few problems with our bin contractor at the moment, they changed suppliers and the old bin still hasn't been collected. The new bin hasn't yet been emptied so I now have to provide photographic evidence of this. If this poor service continues, we may have to consider moving suppliers.

Noted

NO. 9. AGENDA ITEMS

9a To CONSIDER the request from the Revel Committee for use of the field during Revel weekend and AGREE next steps.

Request to allow tractors, steam engines, bikes and cars to be located at the bottom of the Recreation Field near Castle Road and the possibility of a tethered Hot Air-Balloon.

RESOLVED: To defer the decision to a future meeting which will allow The Revel Committee to gather more information regarding the use of track mats, the weight restrictions for the Rec/surrounding roads and request maps showing the drainage under the Rec.

ACTION: Dist. Cllr. Steve Reade to forward a Wessex Water map to the clerk for forwarding to The Revel Committee.

ACTION: Clerk to provide Chris Harris's email address to Revel so they can contact him in regards to the weight restrictions on the roads.

9b To REVIEW the decision made on 7th November 2018 regarding Allotment Plot 4 being issued a notice to vacate and AGREE the new terms and conditions for their tenancy agreement going forward.

Further to Standing Order item no. 7a. A resolution shall not be reversed within four months, except where a special item is placed on the agenda bearing the names of at least two councillors, and is considered and approved by the Council. This request to review the decision has been made by Councillors Caroline Phillips and Tina Symons.

RESOLVED: To reverse the decision made and give the tenant of plot 4 a six months trial to turn the plot around.

ACTION: Clerk to inform the tenant of the decision.

9c To REVIEW the quotation from Huw Morgan to clear Allotment plots 4 and 21a and AGREE next steps.

A quotation was received for the clearing of plot 4 but this has been superseded by the decision made in agenda item 9b.

No quotation was provided for the clearing of plot 21a due to the amount of work involved.

9d To AGREE a response to the Joint Spatial Plan – Technical Evidence Work Consultation

The *West of England Joint Spatial Plan* was submitted for examination by the four West of England councils to the Secretary of State in April this year.

Two Independent Planning Inspectors were appointed to conduct the examination and the Inspectors and councils have been in correspondence on a number of points. We have and will continue to publish details of these communications at www.jointplanningwofe.org.uk under full examination details. Deadline for responses Monday 7th January '19. Circulated to Community Groups.

The schedule of proposed changes was circulated by Cllr. Boyle prior to the meeting. Councillors examined the document at the meeting and many of the proposed changes relate to the strategic development areas and specific pieces of infrastructure so therefore the Council see no immediate reason to comment on any of those proposed.

RESOLVED: To provide no comments on the proposed changes, but to provide feedback that there is huge amount of technical and detailed information that makes it almost impossible for the average person to make head or tail of the information and we are not in a position to challenge 99% of it as we do not know the detailed knowledge or evidence base from which to do so.

ACTION: Clerk to respond as above.

A note of thanks was given to Cllr. Boyle for her hard work.

9e To AGREE a response to the potential removal of recycling bags for kerbside collections consultation.

South Gloucestershire Council is currently consulting on a proposal to stop providing white and green bags for recycling and asking residents to use green boxes for all their recycling materials. Deadline for responses 25th January 2019.

RESOLVED: To respond to the consultation detailing the council's concerns over increased road litter due to the lack of lids on the recycling boxes which could cause the recycling to be blown all over the roads.

Individual Councillors are also encouraged to respond to the consultation directly.

ACTION: Clerk to respond to the consultation as above.

9f To REVIEW the SGC Localism Contract for bins and grass cutting in the Parish and AGREE for the clerk to sign the contract on a 3-year basis.

There has been an increase of 2.5% on last years fees. We are in the process of adding a new bin at Eagle Crescent on a monthly collection which is an annual increase of £67.24.

RESOLVED: For the clerk to sign the contract for SGC to provide services for amenity grass cutting and litter/dog bins collections at an annual cost of £6717.57.

ACTION: Clerk to sign the contract and return to SGC.

9g To AGREE a response to Chris Harris regarding the Local transport priority list - proposed schemes in Pucklechurch and AGREE if the two items on the Investigation list should be removed.

KF27 - Feltham Road - Abson Road - Castle Road - Investigate new footway.

KF29 - Pucklechurch Parish Plan - Investigate speed reduction and weight restriction measures in Pucklechurch village.

RESOLVED: For both investigation schemes to remain on the list and for the investigations to take place.

ACTION: Clerk to inform Chris Harris of the decision.

ACTION: Clerk to chase Chris Harris for the results of the speed survey that was carried out in Shortwood.

9h To AGREE a response to the Consultation on Public Space Protection Order (Dog Fouling).

SGC is currently consulting on a draft Public Space Protection Order to update its enforcement against dog fouling. Attached is the consultation document, which includes the draft PSPO for your consideration. Deadline for responses 11th January 2019.

Circulated Community Groups.

RESOLVED: To support the amended Public Space Protection Order.

ACTION: Clerk to inform SGC of the above decision.

Next Meeting will be held on Wednesday, 16th January 2019 at 7:30pm in the Meeting Room, Abson Road, Pucklechurch.

The Council meeting closed at 20:46.
