Community feedback

What is a neighbourhood plan for?

Giving the **community** a say

Influencing the type and location of development
(it can't stop development in the Local Plan)

Helping to protect what the **community values**

What now for the NP group?

Supporting the Parish Council in opposing the junction

Initial public consultation findings (what we like most about where we live)

A huge **61%** put greenbelt or the countryside related comments

A whopping **98%** had community related comments
